

# ESIP Energy and Climate Working Group Summer Meeting 2013 - Agenda and Presentations

---

The agenda and presentations, notes from the meeting, and action items are posted on the ESIP Commons website:

Decision Tools: <http://commons.esipfed.org/node/1462>

Sustainability: <http://commons.esipfed.org/node/1463>

Current discussions include ways to make NASA/NOAA satellite and model data and tools available to communities for planning sustainability and emergency preparedness.
